BVS Consecration Service for Theresa Ford

Congregational Response:

We stand to affirm our oneness in the Body of Christ and to join with you in this moment of consecration by declaring our support of and our interest in your special calling. While you are away from us, yet you will be with us and we will be with you in thought, in concern, and in prayer. While you serve elsewhere, we shall contribute to that service in support of the outreach of the church and through this fellowship. We covet your willingness to communicate and to share with us your experiences while you are away, and we shall endeavor to keep you informed concerning the activities of our fellowship. May God bless you as you go about God’s business in this special way and all of us as we seek to respond to that calling in the midst of our lives at home.
